**Statement regarding GMP compliance of the Danish company Nomeco A/S,
Borgmester Christiansens Gade 40, Copenhagen V, 1790, Denmark**

The most recent GMP inspection of the Danish company Nomeco A/S, site Borgmester Christiansens Gade 40 has been carried out the 16th to 19th May 2017, and followed by issuance of the certificates no.: DK H 00091417, DK V 00091417, DK IMP 00091417.

The next ordinary GMP inspection is planned to take place the 18th to 20th August 2020. Consequently, the three years term of the GMP certificate will be exceeded. However, the Danish Medicines Agency has no knowledge of conditions at the company' s site which could indicate that the company is not in compliance with GMP, and therefore an excess of the running period with six month is acceptable.

Nomeco A/S, Denmark, has MIA no. 38666 issued by the Danish Medicines Agency.
